To whom it my concern:

I have known Raymond Poirier for the three years while he has worked as an Adjunct Instructor at Global Information Technology to teach Project Management Professional (PMP) certification preparation classes.

I have been consistently impressed by both Ray's attitude towards his work and his performance on the job. He loves teaching as well as to share his knowledge base. He is very co-operative, honest and possesses excellent team spirit. His interpersonal and communication skills have allowed him to develop productive working relationships with both our clients and our staff.

I recommend Ray for Adjunct/ Technical Trainer position without reservations. Please let me know if you need further information.

Sincerely,
