

*Survivable Vehicles for the Warfighters*

# *Excellence in Engineering Award*

This certificate is awarded to

*Ray Poirier*

This award stands to acknowledge your personal sacrifice, professionalism and steadfast support to the Program Manager, the Warfighter and the Department of Defense. In recognition of your dedication and commitment to a team which has committed themselves to the protection of the Warfighter. Your attention to detail and diligence on the MRAP program has lead to a successful answer to the urgent needs of the Warfighter.
